

## *Good Health Gateway*<sup>®</sup> Diabetes Care Rewards Program

Have you ever been told you have diabetes, diabetes mellitus, type 1 diabetes, type 2 diabetes, pre-diabetes, elevated blood sugar, high blood sugar, hyperglycemia, or low insulin levels?

If you have, let us help. Because...

## Managing Your Diabetes Has Its Own Rewards

*Plus we'll give you a few more!*

Better Health

FREE Diabetes Medications & Supplies

Available to eligible health plan members and their covered dependents of one of the following health plans sponsored through the Scantic Valley Regional Health Trust: **Blue Cross Blue Shield of Massachusetts** Network Blue New England, Blue Care Elect PPO, or Medex III; **Health New England** EPO or Medi-wrap

In just 3 Easy Steps, you can be on your way to better health and receiving FREE Diabetes medications and supplies (\$0 Co-pay).

1. Register on the *Good Health Gateway*<sup>®</sup> Diabetes Care Rewards Program web site. Registering gives you a *90-day Introductory Period* allowing you to get your \$0 co-pays by using your *GHG Rx Rewards Card* at any in-network retail pharmacy or through the program's mail order service.
2. Complete the basic requirements for managing your diabetes such as having important screenings and exams. More than likely, your doctor is already having you complete these screenings and exams.
3. Have your health care provider complete the *Good Health Gateway* Provider Confirmation Form and send to us to keep your *GHG Rx Rewards Card* activated after your 90-day Introductory Period.

It's that simple.

➔ To learn more about the basic requirements, call our HelpLine at (800) 643-8028, or register online at [www.GoodHealthGateway.com](http://www.GoodHealthGateway.com).

The *Good Health Gateway* web site is both private and secure. HIPAA privacy and security standards are used to ensure the security of your health care information.

No health care information will be shared with your employer/health plan sponsor.
